Internship Experience:

Kasnet Technologies Internship - Microsoft and PMI  
[18 dec 2023-27jan 2024]

As an intern at Kasnet Technologies,pune, I had the privilege of gaining invaluable experience through hands-on work with two prominent organizations: Microsoft and the Project Management Institute (PMI). Throughout this internship, I actively contributed to various projects and initiatives, honing my skills in technology and project management.

Microsoft Project:

During my internship, I had the opportunity to work closely with the Microsoft team on power BI project and azure basic tasks. Under the guidance of Amol Aher sir, I assisted in data analysis and data visualization on power bi. Through this experience, I deepened my understanding of Microsoft technologies and best practices, while also enhancing my problem-solving and collaboration skills.

Overall, my internship experience at Kasnet Technologies provided me with a solid foundation in both technology and project management. By working with esteemed partners like Microsoft and PMI, I gained invaluable insights, developed practical skills, and forged connections that will serve me well in my future endeavors.
